**§22.962 Competitive bidding mechanisms.**

(a) *Grouping.* All cellular unserved area Phase I and Phase II licenses will be auctioned simultaneously, unless the Wireless Telecommunications Bureau announces, by Public Notice prior to the auction, an alternative auction scheme.

(b) *Minimum bid increments.* The Wireless Telecommunications Bureau will, by announcement before or during an auction, require minimum bid increments in dollar or percentage terms.

(c) *Stopping rules.* The Wireless Telecommunications Bureau will establish stopping rules before or during multiple round auctions in order to terminate an auction within a reasonable time.

(d) *Activity rules.* The Wireless Telecommunications Bureau will establish activity rules which require a minimum amount of bidding activity. In the event that the Wireless Telecommunications Bureau establishes an activity rule in connection with a simultaneous multiple round auction, each bidder will be entitled to request and will be automatically granted a certain number of waivers of such rule during the auction.

**§22.963 Withdrawal, default and disqualification payments.**

(a) During the course of an auction conducted pursuant to §22.961, the Commission will impose payments on bidders who withdraw high bids during the course of an auction, who default on payments due after an auction closes, or who are disqualified.

(b) *Bid withdrawal prior to close of auction.* A bidder who withdraws a high bid during the course of an auction will be subject to a payment equal to the difference between the amount bid and the amount of the winning bid the next time the license is offered by the Commission. No withdrawal payment would

be assessed if the subsequent winning bid exceeds the withdrawn bid. This payment amount will be deducted from any upfront payments or down payments that the withdrawing bidder has deposited with the Commission.

(c) *Default or disqualification after close of auction.* If a high bidder defaults or is disqualified after the close of such an auction, the defaulting bidder will be subject to the payment in paragraph (a) of this section plus an additional penalty equal to three (3) percent of the subsequent winning bid. If the subsequent winning bid exceeds the defaulting bidder's bid amount, the 3 percent payment will be calculated based on the defaulting bidder's bid amount. These amounts will be deducted from any upfront payments or down payments that the defaulting or disqualified bidder has deposited with the Commission.

**§22.964 Bidding application (FCC Form 175).**

All applicants who wish to participate in competitive bidding for cellular unserved area radiotelephone licenses must submit applications on FCC Form 175 pursuant to §1.2105 of this chapter. The Wireless Telecommunications Bureau will issue a Public Notice announcing the availability of cellular unserved area Phase I and Phase II licenses and, in the event that mutually exclusive applications are filed, the date of the auction for those licenses. This Public Notice will specify the date on or before which applicants intending to participate in a cellular unserved area radiotelephone service auction must file their applications in order to be eligible for that auction, and it will contain information necessary for completion of the application as well as other important information such as the materials which must accompany the short form, any upfront payment that will need to be submitted, and the location where the application must be filed.
